It has been put in the budget 18-19 for planning and 19-20 for construction.

General Business: Secretary for HWCV Steve Murphy has stepped down as Secretary, Sue Smith has spoken with Garry (she will be relocating to the area in May) offering to take the position. Garry has nominated her .Agreed unanimously.

Clean Up Aust. Day-Paul Sutton local convenor.

HWCV has supported this in the past , but this year there were 2 groups one at Sanctuary Point and things became quite messy . HWCV will only support CUAD if it is in the Huskisson /Woollamia area through Paul. Combined CCB meeting Garry will attend- discussion about revamping so that items can be put on the agenda . 16 out of 28 CCB's generally attend.

Rabbit culling - there has been an increase in numbers. Prolific around Moona Moona Ck, Huskisson Beach and along the pathway. Request from HWCV to SCC to bait the area.

Geoff Barlow asked if Steve Murphy attended the meeting on The Future of a JB Marine Centre. (Educational & Tourism). Jan Bruck & Steve Murphy attended-very 'conceptual' at this time. Leslie Lockwood noted this is similar to a previous plan that could not gain required funding.

Leslie Lockwood- re Leisure Centre plans to move the Library, Netball courts and Skate park etc to the area near the Leisure Centre. Plans are on view at the Leisure Centre. Garry if the Leisure Centre precinct goes ahead fully Huskisson Community Centre could ultimately be sold (+ others)..

Peter Mausli- enquired re kayak launching facility at the end of Dent St. Garry said work had already started. Peter also asked who would be responsible for the verge on the reserve on Currambene Creek at Woollamia. It is eroding and trees are falling into the creek. He has had no response from council. HWCV will contact Council.

Meeting Closed 8.00pm.

Next meeting 17 June 2017.
