Chair: Garry Kelson - starting 7:00pm**

Apologies:

Blair Keane, Maureen Noonan, John Levett, Gabrielle Brine, Graeme Curnick, Leslie Lockwood

Previous Minutes

Minutes of 14 November 2016, Steve corrected previous advice on rates: it could be, if IPART accepts, \$200 + \$200 + Fire & Emerg Services Levy \$200 = +\$600/ann by 2019, and for Woollamia add 20%.

Minutes moved accepted (Paul Sutton/Jan Bruck)

Attendance: 11

Treasurers Report

Geoff Barlow provided a statement.

Opening Balance: \$2,736.19;

less \$299.25 Dog Tidy Bag Co; less \$33 Husky Comm Ctre to Dec 2016; less \$36 Husky Comm Ctre to June 2017.

Closing Balance: \$2,334.94

Report moved accepted (Paul Sutton/Steve Murphy)

Correspondence

To: Shoalhaven Water - Woollamia Sewerage, and their response was received. The task has subsequently been added to the city 2017-18 Delivery Plan/OP, which is a positive sign.

From: SCC, DA for 4 units planned on Currumbene St

From: SCC re proposed new shared pathway on Sydney St/Tomerong St, outside school Cllr John Levett will inspect the school site. [HWCV believes a new pathway outside the school fence would be an unsafe duplication, and not a priority for scarce funds]

From: SCC, 59 Owen St re-classified Community

From: SCC: they agree with 2hr parking limit at 59 Owen St, but not 1hr limits anywhere in Husky commercial centre [ditto the Chamber]

General Business

Cllrs/Staff Familiarization Tours Garry said since we've observed no discernible positive outcomes in 3 years, he won't again be making himself available in future.

Moona Moona Ck pedestrian walkway Garry wrote to SCC Mayor & Cllrs (see on the HWCV > News page), and also visited state MP Shelley Hancock, who subsequently corresponded with then Roads Minister Duncan Gay, who wrote to SCC about it.

Shelley Hancock also wrote to the Mayor and Cllrs. There is a real public safety issue developing at the bridge. This Christmas, we saw walkers and cyclists forced onto the road, dodging the traffic.

On 28 March at the SCC Ordinary Meeting, there will be a Notice of Motion from Cllr B.Proudfoot, requesting that SCC proceed with the walkway construction. There was a state grant organized by Shelley last year that led to a design being drawn, so the job is ready to go, if funding can be released.

Garry attended the Dec 2016 meeting of the Huskisson Chamber, at their invitation, and spoke about parking and traffic issues

Huskisson Parking Study: Steve said the proposed zebra crossing between the dive shop and across Owen St to the club, would be better placed at the the PO cnr and across Owen St to the bus stop cnr, so as not to isolate bus travellers

Rates rises: Tom Arronis spoke about this, and explained the brief presentation he made to the second SCC Extraordinary meeting on 2 February 2017

Neighbour Day, 26 March, 11:00am -1:00pm HWCV will be staging a sausage sizzle, with support from SCC, more to follow.

Bushcare signs (SCC) have appeared at Woollamia Reserve (Currumbene Ck) and at Collingwood Beach pathway (Vincentia). Residents questioned the purpose of these signs, Garry said he'd ask SCC about it.

Clean Up Australia Day will be staged on Sun 5 March, from 8:00pm, co-ordinators are Paul and Jan Sutton.

Meeting closed: 8:40pm.

Next meeting: 10 April 2017
