

Dear Sir/Madam

Commencement of Shoalhaven Contributions Plan 2019

Council at its Development and Environment Committee meeting held on 2 April 2019 adopted the Shoalhaven Contributions Plan 2019 (the Plan). The Plan will come into effect on **Wednesday 29 May 2019** and will repeal the existing Shoalhaven Contributions Plan 2010 at this time.

The Plan is an updated, simplified and flexible plan which will facilitate the ability to deliver high priority community infrastructure projects in a timelier manner, in line with the needs of the growing community.

The new Plan is the result of a significant review of the Shoalhaven Contributions Plan 2010. The review was undertaken to:

1. Revise the content of the Plan to clarify areas of uncertainty and make it easier to interpret;
2. Review and rationalise the projects in the Plan to allow projects to be prioritised and completed in a timelier manner;
3. Create an updated, more user-friendly website including a new contributions calculator.

The new Plan and calculator will be accessible on the new Contributions Plan website from Wednesday, 29 May 2019 at the following link: <https://cp.shoalhaven.nsw.gov.au/>.

The new Plan will also be available on Council's website at www.shoalhaven.nsw.gov.au.

Yours faithfully
